

Coronavirus (Covid19) Update

Divisions, Regions, Centres, Club Band, Singers and Groupings

22 March 2020

IMPORTANT Update from the Governance Office

Please find the latest guidance for Divisions, Regions and Centres

(Please note that this guidance is under regular review and will be subject to change as developments progress. Take note of the date and time stamps at the bottom of the page).

RALLIES

To help ensure Government advice on social distancing is followed, the Club will be closing its UK sites network today - Sunday 22 March 2020.

All UK sites will remain closed until 30 June 2020.

In line with this decision, we are extending this closure of activities to the Club's Centres and rallies with immediate effect. Any further rallies need to be cancelled and no Club rallies are to be held until after **30 June 2020**.

Previous guidance issued that covers other events, such as meetings and dinner dances, still remains that these should not proceed.

The safety and wellbeing of our members, local communities, guests and staff is of paramount importance to us and this move supports the recommendations issued by the Government.

Please continue to monitor the Club's website for further information at www.camc.com

Thank you for your cooperation, and please stay safe.
